

Getting started with signing up for My Discoveries

Having a My Discoveries account in the **Easyfind** catalogue lets you keep lists of items you want to remember, and to tag, rate and review items. It's very quick and easy to set up and you don't need to be a library member to get started.

* If you don't have an email address you can make one up to complete the signing up process (eg, bob@gmail.com). Easyfind won't know if it's true or not, but it won't ever be able to send you a password email reminder as the address doesn't really exist.
